

ENDORSEMENTS

DR. JEAN LACOUR PhD, CAAP--Dean of Net Training Institute for Addiction Studies:

At last! A relapse prevention process based on client participation, counselor involvement, and proven counseling techniques. Clients gain insight into subconscious wounds that have driven their addiction behaviors. The workbook is appropriate for both residential and out-patient settings.

JAN MARSHALL--Director Shepherd's Door Women's Program, Portland, OR:

We have watched our clients enter the Genesis portion of their program and seen a remarkable thing happen. Women are truly emotionally courageous as they face the false belief system, choose to walk through the pain of memory, walk through the grief the memory initiates, then choose to forgive. It has made a profound difference in our program.

PASTOR TED ROBERTS--Senior Pastor, East Hill Foursquare Church, Gresham, Oregon, Author of the Pure Desire Process for Sexual Healing:

"The "Genesis Process" is a gift from God. It's a relevant, biblically balanced, effective and profoundly practical. It is able to help folks who may have lost hope not only find it again through real change and healing, but also for them to experience the Grace of God. Michael Dye has caught the heart of God in a marvelous way.
